**Extra-Brut ‘Le Village’** **75**  
**Pierre Baillette - Pinot Noir, Chardonnay, Pinot Meunier**

Feeling like a queen, a king, or both? The Pierre Baillette is a bio champagne and a real Big Beauty with capital B’s. It may be from a tiny champagne house in a tiny hamlet just below Reims, but it is great in taste. Aged on wood, giving it more **structure and tannins**. **Fresh citrus and small white flowers**, with tones of minerals and almonds, and **chalk-dry minerality**. We like to serve it in a wineglass to do it justice. Premier and Grand Cru. 12%

FRANCE

**‘Saint Joseph Les Oliviers’ Rhône 84**  
**2020 Ferraton Père et Fils - Marsanne, Roussanne**  
Great wine from a high altitude vineyard on granite. Complex flavours that unfold further the longer the wine is in your glass, so you can take your time with this one (at least try...). **‘Taburnum’ Rhône 79**  
**2019 Les Vins de Vienne - Viognier**  
Abandoned vineyards. They exist. We actually can’t understand why. And Les Vins de Vienne, the three top producers who combined their expertise to make this excellent wine on ancient grounds, didn’t understand either. They made this pearl of **ripe and exotic fruits, wood**, a powerful start and a **little bit of fattiness** with a great balance. Chapeau! You won’t regret this one. 14%

**‘Clos Ricarde Cabeça’ Jurançon, Pyrenees 8.2 / 41**

**‘Viña Tondonia Reserva’ Rioja** 35 / 68  
**2010 R. López de Heredia - Tempranillo, Garnacha**  
This is a special one: the region, the bodegas, the legend. Lopez de Heredia steers its own course and ages the wines for a very long time (we’re talking years!) both in oak casks and bottles, until they feel they are ready to drink. Elegance, structure, balance. **Ripe black fruit, spices, leather, tobacco, balsamic, and ripe tannins**. Let this one breath first! 13%

**‘Suañé Tinto’ Rioja** 59  
**2017 Alonso & Pedrajo - Tempranillo**  
A tempranillo from the Rioja region... again? Yes! But trust us, also worth a try: with nice intense aromas on the nose of both **red fruit and spicy notes**. But soft and pleasant in the taste. Nicely **integrated tannins**, easy to drink, with a long aftertaste. But this one does like a little breather, so get yourself another drink while this one takes around 30 minutes to get ready for you. 14.5%

SPAIN

**‘Phinca San Julian’** *Rioja*

95

**2019 Bodegas Bhilar - Tempranillo, Graciano, Viura**

I’m gonna say it, I’m just gonna say it: one of the best Rioja wines out there. Why? All the grapes are from a tiny plot on a steeply graded hill. The vineyard is kept cool and collected due to the limestone soils and the east-facing orientation. Old-school foot-crushing of the grapes and fermented without adding yeasts. All of this leads to a **nice acidity, depth and precision** on the palate. A perfect balance on the nose. The aftertaste is a full-house with **ripe fruit and balsamic**, a **little spicy**, some nutmeg and cinnamon, and even some rosemary and thyme. The big finish is fresh, yet stern with **silky-smooth tannins**. 14%

**‘Corriente’** *Rioja*

**2020 Telmo Rodriguez - Tempranillo**

Yooheooo! We got another great one for you! And like always, Telmo doesn’t play around with artificial fertilizers and poison on the vineyard. In the nose, we got **blackberries**, we got **vanilla**, we got spiciness. In the mouth, we got mild tannins, we got **mild acidity**, we got a **long finish**. And then I think we got a winner. 14%

Ripe and **fresh** in taste, with a somewhat spicy finish. The perfect companion for the Mediterranean kitchen. What a coincidence... 13.5%

ITALY

**‘DOCG Amarone della Valpolicella’** *Veneto*

71

**2015 Emilio Fidora - Corvina, Corvinone, Rondinella**

Sit back for this story. It’s worth it. Amarone is made by harvesting fully ripened grapes and leaving them to dry in wooden crates, *Fruttaio*, for up to five months. These wines are immensely **full-bodied and rich**, and absolutely delicious. Aged for a period of 42-50 months in big wooden barrels and about 12 months on bottle afterwards. Complex, rich wine with aromas of **plums**, with **spicy notes** and **dried fruit** with a powerful character. We won’t hear from you for a while. 16%

**‘DOC Valpolicella Ripasso’ Veneto 42**

**2019 Emilio Fidora - Corvina, Corvinone, Rondinella**

A second fermentation and 24 months in French oak? Yes please! A smooth, Italian wine is always the way to go. Full and smooth in the mouth, with a balanced finish where you recognise that characteristically Italian bitter aftertaste. 14%

**‘Belgardo’ Terre Alfieri 9 / 45**

**2019 Cascina Vengore - Nebbiolo**

Nebbiolo... now why does that sound familiar? Ah, yes, you may know this grape from the famous Barolo and Barbaresco (find the latter one also on our menu!). One theory is that Nebbiolo comes from the Italian word for fog, ‘nebbia’, referring to the white, powder-like veil on the grapes during harvest season. This Nebbiolo is a spicy one with **cinnamon**, but with some **juicy berry** and **ripe cherry** flavours. And what’s that in the background? Some **dark chocolate**. It has rested in Slovenian oak barrels for 16 months. Resulting in an elegant, fresh wine. 13.5%

**‘DOCG Chianti Classico Gran Selezione’ Tuscany 79**

**2018 Renzo Marinai - Sangiovese**

Wait, is this the same one as the one before? Yes, but also no. See, it’s the same house and the same grape, but just a little better. That’s what the ‘Gran Selezione’ stands for. Only the very best grapes and new techniques. And compared to the previous one, longer aging (9 months in large barrels, 18 months in barriques). Delicate, elegant, balanced and with **remarkable body**. A stand-out character, persistence and **power**. High in tannins, ripe fruit, **plum**, with **earthy and rustic aromas**. Please let it breath. 14%
